## Future Homeowner!

This family consists of a mother and three beautiful children. Her eldest is a Tascosa High School graduate who is working to make his mark in the world through his creative artistic skills. Her younger two, a boy and a girl, are excitedly active in recreational endeavors and working to navigate elementary. Daina is a graduate of Amarillo College with a degree in Business, and has been a part of the Amarillo Habitat family since 2024. She has expressed, at length, her gratitude for her growth through the relationships she's acquired from her new Habitat family. Daina aspires to help others become self-sustaining with growing and prepping foods, as well as life skills. While she has had many challenges to overcome in life, each one has created an opportunity for growth and empowerment. Through these challenges, she has been able to find strength in her relationship with God, forgiveness, courage in adversity, and hope through healing.

The Anderson Family

## The Panhandle Gives

Amarillo Habitat for Humanity is proud to be part of The Panhandle Gives, a week of giving that strengthens our community through collective giving. From November 24<sup>th</sup> to December 2<sup>nd</sup>, your gift helps us continue building safe, affordable homes for hardworking families right here in Amarillo. Every donation made during the campaign is amplified through the Amplification Fund, meaning your contribution goes even further to build hope and stability in our community. Together, we can make the dream of homeownership a reality. Join us in giving during The Panhandle Gives!

## MEET THE STAFF

# Marci

"I grew up in the panhandle area and have always loved the experience of thrifting. I'm so grateful to be able to work at one of my favorite stores with some of the best people I've had the pleasure of meeting. I love that even though there's a lot to be done we're able to take a moment to laugh. There's not ever a day when I'm not excited to come to work and be a part of all the great things the ReStore and my coworkers do." -Marci

Interested in volunteering on our jobsite? We offer several opportunities, from workplace team-building events, to individuals that just want to help make a difference!

For more information call (806) 383-3456 or reach out to  
Mattie at [mattie.anthony@amahfh.org](mailto:mattie.anthony@amahfh.org)

Three more Amarillo families have completed their 30 financial literacy education classes! This year, we covered Dave Ramsey's Financial Peace University, healthy cooking on a budget in Partnership with Texas A&M Agrilife Extension, home maintenance and more!

## DONOR SPOTLIGHT

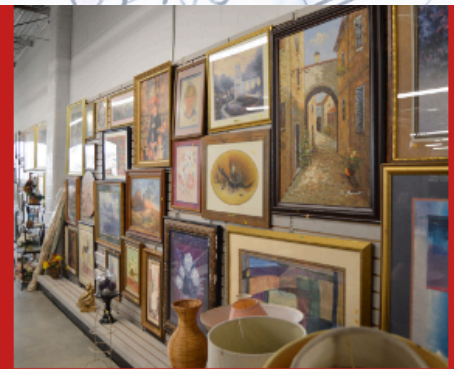

We're incredibly grateful to Education Credit Union for generously serving as our Water Sponsor throughout the summer and fall seasons. Thanks to their support, our volunteers and staff were able to stay hydrated during long, hot build days and a busy fall schedule. We're thankful to ECU for standing alongside us and helping create a safe, healthy environment for those building brighter futures.

We were honored to be one of seven nonprofit projects chosen by Xcel Energy for their annual Day of Service! We're grateful to be included in this meaningful day, and to every volunteer who gave their time to help create more affordable homes in Amarillo. It's partnerships like this that remind us what's possible when we come together to serve others!
