## EL BARRIO NEIGHBORHOOD UPDATE

*We don't just build homes. We build communities. Home number 3 of 6 in our new Habitat Community located in Lee Green's Addition of the historic El Barrio neighborhood is almost ready! We will be handing over the keys to this 4-bedroom, 3-bathroom home to the Tu family this summer!!!*

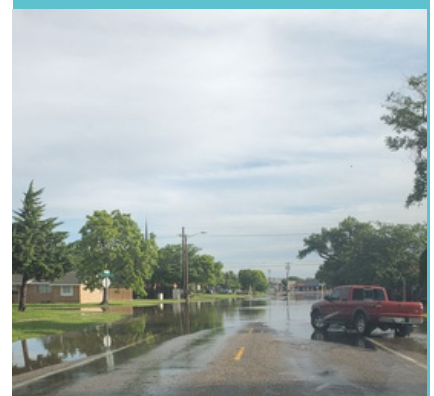

## GROUNDBREAKING

*As we near the completion of one home, we begin the journey on another. We've broken ground on our latest build, home number 4 of 6 in Lee Green's Addition of the historic El Barrio neighborhood, at 908 SE 21st. This 3-bedroom, 2-bathroom home should be ready for Pamela Robinson and her family in the fall, and we can't wait to keep you updated on its progress!*

## RESTORE UPDATE

The waters have subsided and ReStore is open for business as usual at 2626 Paramount. Thank you so much for all of your support and well wishes during our closure!!! ReStore is vital to our mission to bring people together to build homes, communities and hope, and that wouldn't be possible without you!!!!

# Pickleball Bash '23

Our first annual Pickleball Bash was a rousing success with 50 players and more than \$11,000 raised to support affordable homeownership for families right here in Amarillo!!! Thanks again to all of our sponsors, players, and volunteers! Please help us support Tyler's BBQ, who donated the awesome spread pictured below, as they reopen from the flooding! Also, be on the lookout for Pickleball Bash '24 next spring...

# MEET NE'VIYAH!

We are thrilled to welcome our summer intern Ne'Viyah to the team! Ne'Viyah was selected as one of two representatives from our area to participate in the Bank of America internship program. The program allows interns to gain experience in the nonprofit sector and see directly how they impact their community. Bank of America will also be sending her to Washington D.C. for a week to see how nonprofits, governments and businesses collaborate to meet local needs. We are grateful to Bank of America for the wonderful opportunity for both of us!
